Subject: Re: ADC process

Again, I think we are going around in circles! Amar set it up to work via an ATU so full ADC would not be needed for chemexpo under the Comptox.epa.gov link. Could one of you please ask him to talk to Terry or PK about what they did for GenRA? I encouraged him to do so yesterday but he reached out to you instead...

I am working on paper work for Chemexpo release. I need to start this process. I never done this, do you know the process to start this process?

Thanks,

Asif Rashid
